

Agatha Road

FIG TREE & CO

Like so many of you, I cannot wait for that time of year when all the orange and black decorates my home. All the All Hallows Eve quilts come out to play, and each year I am itching to add in a few more to my ever-growing collection. For me, retro Halloween is all about soft, romantic prints and classic-feeling vibes. I don't know about you, but orange is at the very top of my list of favorite colors, especially when it is paired with autumnal shades of greys, creams, and soft blacks.

Halloween has always been about family, fun, trick or treating and vintage Halloween decorations for me. So no ghosts, goblins and scary things needed. Reimagining Halloween decorating as something for any traditional, classic or modern home is what these Fig Tree Halloween collections are all about.

Join me as we celebrate my special brand of classic Halloween with Agatha Road.
