

THE FARM AND GARDEN COLLECTION

by Cathe Holden is a salute to family farmers and devoted gardeners with a visual harvest of delicious fruits and vegetables in repeat patterns, crops of vintage-style seed packets, catalog covers and pages, and time-tested recipe cards. There's a bounty of vintage graphics and typography in colorful collage form & patchwork print, a delightful farm truck taking produce to market, and coordinating country-gingham checks.

Farm and Garden also brings to market an exciting addition of large scale seed-sack prints, extra-large project prints on canvas fabric, and matching picnic-size checks and ticking stripe.
