

Itty Bitty Background Gatherings

BY: PRIMITIVE GATHERINGS

WE LOVE OUR ITTY BITTY BACKGROUND PRINTS so much we decided to pick our all-time favorites from years passed and make them into a fabric line! Colored in cream with tone on tone, greys and taupe to create those low volume quilts or to ensure the perfect small print background to pair with your favorite prints. We will be launching some new BOMs and recycling some of our favorite patterns from Primitive Gatherings.
